DOMINION ORDERS IN COUNCIL.

[Ref. 1,666,832.]

AT THE GOVERNMENT HOUSE AT OTTAWA,

Saturday, the 26th day of September, 1908.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR-GENERAL.

THE Minister of the Interior reports under date the 15th September, 1908, that an application has been made by the Surrey Agricultural Association of British Columbia for an unconditional grant of Legal Subdivision 4 of Section 16, Township S, East of the Coast Meridian, which was patented to it on the 26th July, 1894, subject to the land being used for agricultural fair

purposes, under the authority of the Order in Council dated the 21st October, 1893, amended by the Order in Council dated the 23rd January, 1894, and has surrendered the lands so patented to His Majesty King Edward the Seventh.

The Minister observes that there is no provision of the law under which an unconditional grant of the land in question might be made to the Association and he, therefore, recommends, as it would appear that it is essential to the best interests of the Association that it should obtain title to the said Legal Subdivision without the restrictions imposed in the original letters patent, that the sale be authorised of Legal Subdivision 4 of Section 16, Township 8, East of the Coast Meridian, to the Surrey Agricultural Association of British Columbia, at the minimum rate of \$1.00 per acre.

The Committee submit the same for approval.

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901, (*see Journals, 1901, page 58*), a model form of Railway Bill is adopted.
